

### ARRIVING BY CAR:

1. If coming from the Kassel direction (A7/A5) please take the Gießen road (A45). At Hanauer Kreuz, take the motorway (Autobahn) A66 towards Frankfurt. Please see →

2. If coming from Munich (München) or Würzburg on the A3, please take the Aschaffenburg road. After Aschaffenburg, take the A45 towards Alzenau. Stay on this motorway until you reach Hanauer Kreuz, then take the A66 towards Frankfurt.

→ Leave the A66 at the Hanau-Nord exit and take the Maintal-Dörnigheim road. Turn right at the next traffic lights. You are now on the bypass. Follow the bypass towards Maintal-Dörnigheim. At the third set of traffic lights, turn left into Honeywellstraße (you'll see a BMW dealership on your left). Drive along Honeywellstraße until the next crossroads, when you turn right into Robert-Bosch-Straße. You'll find number 9 on the right-hand side.

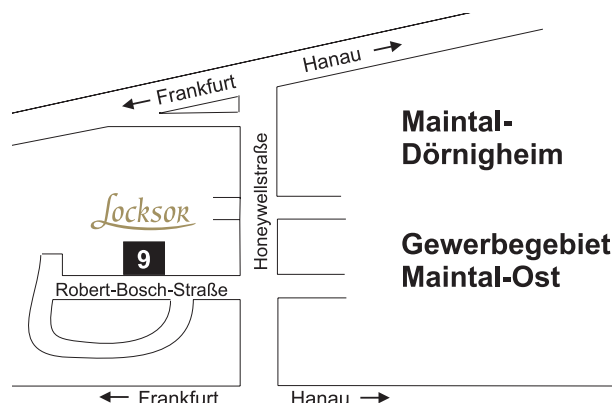

3. Coming from Frankfurt Airport or the Frankfurter Kreuz, please take the A3 towards Würzburg. Leave the A3 at the Frankfurt/Ost or Offenbacher Kreuz exit. You are now on the A661 heading towards Frankfurt/Ost. Shortly after you pass Kaiserlei-Brücke, turn right into Hanauer Landstraße, and follow this road until you reach the edge of Frankfurt (Fechenheim). This will automatically take you onto the B8/40 main road, heading towards Maintal. Stay on the B8/40 until you get to Maintal-Dörnigheim.

Once in town, follow the main street (Kennedystraße) until you see an Aral petrol station on the left. Turn right at the traffic lights right after into Kesselstädter Straße (on the right you'll see a WAL\*MART shopping centre.) Drive down the street until the next set of traffic lights, and then turn left into Honeywellstraße, then left again at the next crossroads into Robert-Bosch-Straße. Number 9 is on the right.

### ARRIVING BY TRAIN:

The Maintal-Ost suburban line station (S-Bahnhof Haltestelle) is only a few minutes drive from our premises. We will be glad to find out and let you know your train connections, and of course we will meet you at the station.

We hope you have a good journey and a pleasant stay.
